A bit frustrated by this message. I've been telling her that we were doing this briefing. Anyway, here is the redraft

Subject: Florida assumption meeting tomorrow?

All,

Kathy just mentioned to me that there is a meeting tomorrow with Dave Ross on Florida state assumption. David Fotouhi said he would forward to us, but didn't know what it would focus on. Do you know or are you able to find out what the meeting is about, so that we can be prepared? Will they want any information from us about ESA or anything else?

Thanks!
